Fact of the Day

On this day (June 05):

- [2009] A fire at a day-care center kills 49 children in Mexico
- [2009] After almost two months of civil disobedience, at least 31 people were killed in clashes between the National Police and indigenous people in Bagua province, Peru.
- [2004] Noël Mamère, the mayor of Bègles, conducted a marriage ceremony for two men, even though same-sex marriage in France had not yet been legalised.
- [2001] Tropical Storm Allison, the costliest Atlantic tropical cyclone that was never a hurricane, made landfall in Texas, causing approximately \$8.5 billion in

damage.

- [1997] Anticipating a coup attempt, President Pascal Lissouba of the Republic of the Congo ordered the detention of his rival Denis Sassou Nguesso, initiating a second civil war.
